Artist of the Month

November: Henri Matisse

Fun facts:

Henri Matisse was born in Nice, France in 1869. He is now known as one of the most influential artists of all time. He helped found a movement called *Fauvism*, in which the artist uses large masses of bright colors that might not match the objects they're applied to. At the end of his life, he used paper cut-outs to create collages and more abstract works of art.

A HUGE thanks to our PTO and ALL our volunteers for an amazing Fall Fest and Paint Your Way 5K!
