- ☐ Tape (all types welcome - duct, scotch, masking, washi...)
- ☐ Plastic Ziploc Bags (any size)
- ☐ Construction Paper
- ☐ Colored Tissue Paper

Please consider giving to our Chromebook fund - any amount helps! We use computers to make music, make art, make movies, access our online math curriculum, research, contact our civic leaders, network with schools in other parts of the world, access online museums and libraries, take a virtual field trip to places around the world... for so much more than just writing papers, but that too! You may purchase a Chromebook to donate to the school directly by following this link on [smile.amazon.com](http://smile.amazon.com) which supports

GCCSA: <https://tinyurl.com/y3q8cavy> . We would also gladly accept Amazon gift cards in any amount to help meet our goal of a new set of Chromebooks for our middle school!
